Structure and operating principle of the heat pipe 3

Various structures and shapes of the heat pipes manufactured by Daehong Enterprise Co., Ltd. 4

Heat Pipe Heat Sink for cooling power semiconductor modules 5

Heat Pipe Heat Sink for cooling of power semiconductors 6

Heat Pipe Heat Exchanger for waste heat recovery Heat exchanger for waste heat recovery 7

Heat Pipe Heat Exchanger for cooling enclosure 8

Flat plate heat pipe for hot plate 9

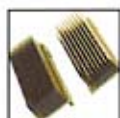

Flat plate heat pipe for hot plate 10

Cooling device for semiconductor 11

Liquid cold plate 12

Heat sink 13
